Missouri Department of Agriculture

Crop and Livestock Loan Guaranty Program

"Loan Guaranty Program for
4-H and FFA members"

Crop & Livestock Loan Guaranty Program

The quality of life in our nation and the world depends on agriculture. The future of agriculture is in the hands of our youth. To ensure adequate production of food and fiber to meet future needs, the Missouri Department of Agriculture believes we should protect and provide help for a valuable resource - the rural youth of Missouri.

The Crop and Livestock Loan Guaranty Program offered by the Missouri Department of Agriculture provides financial benefits to Missouri youth who undertake crop or livestock production projects.

Participation in 4-H or FFA activities provides valuable benefits for young Missourians in such areas as:

- Responsibility - Projects are handled from start to finish by the youth. Care must be taken to make the project successful and profitable.
- Experience - Working with livestock, gives the member a true idea of what is involved in a farming operation.
- Education - The youth learns the techniques of budgeting, marketing, bookkeeping and financial responsibility through a supervised project.
- Self-Satisfaction - Completion of the project brings a feeling of pride to the youth in knowing they have completed a successful business venture.

ELIGIBILITY

Loans eligible for the program are limited to the purchase of livestock, feed, seed, fertilizer, herbicides, insecticides, fuel, and other miscellaneous out-of-pocket expenses directly related to the project. Up to 25% of the loan may be used to purchase livestock equipment necessary for the successful completion of the project. Examples: feeders, waterers, head gates, farrowing crates, etc.
